Letter Regarding Patent Term Adjustment Calculations

Mail Stop Issue Fee

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Upon reviewing the above-captioned patent application, the undersigned attorney noted that there appears to be an error in calculation of the Patent Term Adjustment that appears on the "Determination of Patent Term Adjustment under 35 U.S.C. 154(b)" mailed September 20, 2004, that accompanied the Notice of Allowance and Fee(s) Due.

The "Determination of Patent Term Adjustment" states:

The Patent Term Adjustment is 61 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the term adjustment will be 61 day(s).

The undersigned believes that the Patent Term Adjustment specified in the September 20, 2004 communication may be in error in that it may be longer than is appropriate. It is respectfully requested that the term adjustment be recalculated.

The undersigned believes that any duty to disclose the error in calculation to the Patent and Trademark Office has been satisfied by the above. Consideration of this request is respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
